#### About Me

I have extensive knowledge of HTML, CSS, JavaScript, React.js. Combined with my communication and problem-solving skills, I think I would be an excellent candidate for the Web Developer role at any Company.

#### Certificate

##### Fullstack web developer

I have always been passionate about web development, which led me to pursue a Certification in Web Development. I am constantly seeking out new technologies and staying up-to-date on trends in the industry. SEVEN ACADEMY has created some of the most innovative IT Training Centre in Cameroon, and I would be so thrilled to join the team as a Web Developer in the world.

#### Experience

##### +2 years experience

In my current role as a Junior Web Developer at SEVEN ACADEMY, I design, code, and implement websites for a variety of clients. In my latest project, I redesigned a website for a privacy software company, which helped increase their sales by 25% this quarter. Through working collaboratively with marketing, design, and product teams, I have developed strong communication and teamwork skills.
